WOOD FLOOR BUSINESS

Maximize Your Wood Floor Business Social Media Campaign

Quality Social Media Content:

- 1. Entertains and/or informs
- 2. Is short and sweet
- 3. Is not overly promotional

The Result:

This content is more likely to be clicked, watched and shared, extending the reach (and return) on your post.

Maximize Your Post on Facebook

Like the post on the WFB Facebook page

Share the post from the WFB Facebook page This allows your followers to see the post and gives them the option to like, share or comment on the post.

Comment on the post on the WFB Facebook page Tag anyone you think may be interested in the post. Do this by first typing the "@" symbol followed by their name or company's name. Or respond to comments and questions left by our audience.

```
NHLA Official News and Judit liked your Tweet
Art. Standing on score great di-achool parquet there.
WitteccorrNNLA_Official/...

Pro Flooring Store liked your Tweet
Store in the States, we don't install floors with H joints, but I see it often
in high-and international design
